

RP1460 Dustmaster Vacuum Extractor

FOR HEAVY-DUTY INDUSTRIAL CLEANING AND DUST COLLECTION

The tougher the cleaning, the better the vacuum cleaner needs to be. This is why so much thought has gone into the design of the RP1460. With 3600 litres per minute of air volume, and 1500 W of maximum power, it is capable of fast, productive cleaning of dirt, metal chips and liquid spills.

The Wet & Dry RP1460 is perfect for users who need larger capacity and features that focus on efficiency. Our most silent vacuum ever, with superior suction performance, automatic filter cleaning, anti-static capability and many other features

PRODUCT FACTS

- Single motor industrial performance.
- Xtreme Clean fully automatic filter cleaning system takes care of filter cleaning tasks in just a few seconds without interrupting your work.
- Big surface washable PET filter cartridge for high efficiency and low maintenance costs.
- Silent Power, High performance that is seen, but not heard.
- 45 litre container volume and a filter bag for the ultimate in effective filtration.
